MEDICARE EXPLAINED

Original Medicare

Medicare is health insurance for people 65 or older. You're first eligible to sign up for Medicare three months before you turn 65. You may be eligible to get Medicare earlier if you have a disability, End-Stage Renal Disease (ESRD), or ALS (also called Lou Gehrig's disease).

2023 Original Medicare amounts

- » Medicare Part A monthly premium for 2023 is \$0 for most Medicare beneficiaries. If you or a spouse have worked at least 10 years and paid into Medicare you will not pay a Part A premium. If you do not qualify for premium free Part A, you may be able to buy it, you will pay either \$278 or \$506 each month depending how long you or your spouse worked and paid Medicare taxes.
- » Medicare Part A deductible for 2023 is \$1,600
- » Medicare Part B monthly premium for 2023 is \$164.90
- » Medicare Part B deductible for 2023 is \$226

Medicare Part A - Hospital Insurance

Helps cover inpatient hospital stays, skilled nursing facility stays, home health care and hospice care. Most people are automatically enrolled in Part A when they turn age 65. Most won't have to pay a monthly premium for Part A because they paid for it through their payroll deductions.

Medicare Part B - Medicare

Helps cover doctor's services, outpatient care, some preventive services, lab tests and other medical services that Part A doesn't cover. Part B is optional. If you have Part B, you pay a Part B premium each month. Most people pay the standard premium amount. If you don't sign up for Part B when you are first eligible, you may have to pay a late enrollment penalty.

Medicare Part C - Medicare Advantage

Covers all the benefits of Original Medicare and may offer additional benefits. McLaren Medicare plans provide all the coverage of Medicare Part A and Part B with additional benefits.

Medicare Part D - Medicare Prescription Drug

Medicare prescription drug plans may be purchased as a standalone Prescription Drug Plan (PDP) or as part of a Medicare Advantage Prescription Drug (MAPD) plan. Prescription drugs are provided based on the plan's formulary, which must meet standards set by Medicare.

Important: If a Medicare beneficiary does not enroll in a PDP or a Medicare Advantage plan with prescription drug coverage during the Initial Enrollment Period (IEP) of Medicare eligibility for Part A and/or Part B, or does not have other provided creditable prescription coverage, they will be charged a late enrollment penalty (LEP). The LEP amount is 1% of Part D base premium for each full month a beneficiary is without Part D or creditable coverage.

You can enroll in a McLaren Medicare plan if you are eligible for Medicare Part A and enrolled in Medicare Part B and you live in our service area, which includes the following counties in Michigan's Lower Peninsula:

AM I COVERED WHEN I TRAVEL?

McLaren Medicare has you covered for emergency care when traveling anywhere in the United States or its territories. This means you don't have to worry about coverage if you get a sudden, serious illness or injury and need emergency care from a provider outside of the McLaren Medicare network. We even offer Medicare plans that will cover your emergency care when you are traveling overseas, but there are limitations. Please call Member Services if you have questions before you travel.

It makes the most sense to plan ahead and receive routine, non-emergency care prior to traveling. McLaren Medicare does offer McLaren Medicare Inspire Flex, which allows you to receive care from out-of-network providers while traveling outside of the service area for less than six months. You use a point-of-service benefit to receive services from any provider who accepts Medicare; however, you may pay more for these services.

ADDED BENEFITS

Whichever McLaren Medicare plan you choose, you get access to added benefits, including dental, vision and hearing aids, as well as a quarterly over-the-counter benefit. And, although McLaren Medicare is directly affiliated with McLaren hospitals, your coverage is accepted at any hospitals that accept McLaren Medicare.

- » Dental services through Delta Dental - Preventive dental with \$0 copay including coverage for minor restorative services to fillings and crown repair with a 50% coinsurance and periodic maintenance covered at 100% ; DSNP has preventive dental and some comprehensive dental covered at 100%
- » Optional comprehensive dental available for purchase through Delta Dental
- » Vision care with eyewear allowance
- » Hearing care with hearing aid coverage
- » Over-the-counter allowance of \$100 - \$105 per quarter depending on the plan (\$50 for DSNP) to spend on over-the-counter medicines and products
- » Fitness benefit allowance
- » Virtual care with no cost share through McLarenNow

PRESCRIPTION COVERAGE

All McLaren Medicare plans have prescription drug coverage.

Deductible Stage

- » There is no Part D deductible for any McLaren Medicare plans.

Initial Coverage Stage

- » Member remains in this stage until total amount they have paid, plus what the plan has paid for covered drugs (total drug cost) reaches \$5,030.
- » Premiums and costs for drugs from outside the U.S., non-covered drugs and non-Part D drugs do not count toward the total drug cost.

Coverage Gap Stage or Donut Hole for All Non-DSNP Plans

- » McLaren Medicare has coverage for Tier 1 and Tier 6 drugs in this stage.
- » Member pays 25% of the cost for all other generic drugs and 25% of the cost and a portion of the dispensing fee for brand-name drugs.

Important Message About What You Pay for Insulin -

- » You won't pay more than \$10 for a one-month supply of each insulin product covered by our plan on Tier 2 and no more than \$35 for a one-month supply of each insulin product covered by our plan on Tier 3.

Important Message About What You Pay for Vaccines -

- » Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

WHAT IS A 'DUALS' PLAN?

If you have both Medicaid and Medicare, you could qualify for more benefits with McLaren Medicare Inspire Duals (HMO D-SNP). You keep all your Medicaid benefits and add even more, all for a \$0 plan premium. You get prescription drug coverage, your Medicaid benefits and additional health benefits such as vision, dental, hearing and home-delivered meals after you have been discharged from the hospital. And you get a generous over-the-counter allowance to use each quarter.

Prescription Drug Benefits

McLaren Medicare Inspire Dual members have a \$0 copay for all covered prescription drugs at participating pharmacies. The \$0 copay applies through all stages of prescription drug coverage. What does this mean for members? If you qualify for a Low Income Subsidy "LIS" reduced cost sharing amount, your cost share for Part D drugs is waived and you pay zero dollars through all prescription drug coverage stages.

Deductible

There is no prescription drug deductible for this plan.

Stage 1: Initial Coverage Stage

During this stage, the plan pays its share of the cost of your drugs and you pay your share until your total out-of-pocket costs (what you pay) reach \$8,000. However, because you qualify for LIS, you will pay \$0 copay for Part D drugs in the Initial Coverage Stage.

Stage 2: Coverage Gap Stage

This stage does not apply to members who qualify for Low Income Subsidy.

Stage 3: Catastrophic Coverage Stage

In this stage, our plan pays the full cost for your covered Part D drugs.

Medicaid Benefits

Your covered services are paid for first by Medicare and then by Medicaid. The chart below shows you which benefits are covered by Medicare and which benefits are covered by Medicaid. PRE-ENROLLMENT CHECKLIST

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a member services representative at 833-358-2404 (TTY: 711).

Understanding the Benefits

- » The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.mclarehealthplan.org/mclarenmedicare or call 833-358-2404 (TTY: 711) to view a copy of the EOC.
- » Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- » Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- » Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- » In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- » Benefits, premiums and/or copayments/co-insurance may change on Jan. 1, 2025.
- » Effect on Current Coverage: Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- » HMO Plans: Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- » HMO-POS Plans: Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- » D-SNP Plans: This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid (QMB+) and that you qualify for Low Income Subsidy.
